Hi Sandy,

Your plant needs to contact WSDOT as soon as possible to schedule an inspection. You are not approved to fabricate the bridge until this inspection is complete.

Thanks,
Matt

Please see response below from WSDOT, regarding the attached:

"Attached is the processed RAM. This RAM is not approved, the fabrication inspection has not yet been scheduled (see message below from Dave Harkema).

Please return the RAM for revision once the fabrication inspection is complete.
