**Subject:** Major Land Disturbance Permit

Hi all,

I am wrapping up the City of Lake Stevens Land Disturbance Permit package. Please provide these most up-to-date documents below.

1. Project Plan Sheets
2. Visual Impact Assessment (I have one from stage 2 attached. I recall that this same document should be used for stage 3, but I am checking to see if there have been any updates before submitting.)
3. Tree Information (I have the tree info I used for stage 2 attached as an example. Please provide a very similar email with this information.)

Thanks all,
